CONNECTORS	required for stacking units	£3.68 (each)
JOINING SCREWS	for side to side fixing	£1.80 (per pair)
SHELF DIVIDERS	Available for all units	£4.80 (each)

The contemporary design of the STUDIO range offers all of the advantages of our classic racks with just a little more chic. Each unit has clean soft lines and is manufactured to a very high standard. NO SELF ASSEMBLY IS NEEDED as each unit arrives complete. The units are designed to last - so we guarantee them for life!

Each unit is supplied complete with a full set of adjustable feet and top caps.

Connectors are required if stacking units on top of each other. 4 Studio connectors are required when stacking two units of the same depth. Different depth units can be stacked by using 2 connectors, with the deeper unit at the bottom.

The height of two stacked units: 2183 mm high

A wide selection of colours are available, the most popular being black, satin silver and piano black

Delivery is free within England and Wales but an additional £14 is chargeable to the rest of the UK and £20 to Ireland. We deliver worldwide, please contact RED direct for delivery costs. Vat at 15% is included.
